PRACTICAL INSTRUCTIONS FOR COMMERCE WITH CZECHOSLOVAKIA

25X1X

The document is a booklet published by the Czechoslovak Chamber of Commerce for the general information of ~~persons~~ ^{foreigners} doing business with Czechoslovak enterprises. It includes general information (population, area, exports, currency, etc.), information on passports etc., airline rates between Prague and important Czechoslovak and foreign cities, rail and motor transportation information, customs regulations for visitors, hotel rates, and licenses required by commercial visitors. It lists the Czechoslovak foreign-trade monopolies, giving their addresses and telephone numbers. It discusses trade-mark registration, regulations concerning imports and exports, and payment therefor. It lists foreign consulates in Prague, and gives addresses and telephone numbers of government agencies and enterprises of interest to commercial visitors. It also lists Czechoslovak diplomatic, consular, and Chamber of Commerce offices abroad. It contains an advertisement of the International Fair held annually in Prague, listing the types of products displayed.

Foreign language document or microfilm of it [REDACTED] is available from CIA Library, 25X1A
